Bonds

* Illustrated editorials. (E) Articles over a page.

Milwaukee plans sale of $22 million bonds ..... Apr 11 142
Phoenix bond issue public works planned without tax increase June 13 171
Sacramento, Calif redevelopment pays its way (map) ..... Apr 25 (F) *30
San Diego, Calif plans bond election for aqueduct ..... Mar 21 32
Wayne County, Detroit, Road Commission $11½ million in bonds ..... June 27 106

Book Reviews

Air conditioning-refrigerating data book Applications volume 6th ed W. H. Wordrich, Editor in chief ..... May 16 72
American civil engineering practice Three vol ed by R. W. Abbett ..... Jan 17 80
Biological treatment of sewage and industrial wastes McCabe & Eckenfelder Jr ..... Feb 14 72
Bidding cost manual ..... Mar 21 122
Composition and properties of concrete Troxell, Davis & Kelly ..... May 16 76
Computing with desk calculators W. Varner ..... June 20 96
Engineering structural failures Rolt Hammond ..... Feb 14 72
Faster, faster Eckert & Jones ..... Apr 4 109
French contractor equipment building, civil engineering, mechanical handling A special issue of Travaux ..... Jan 17 80
Handbook of rigging 2 ed W. E. Rossnagel ..... June 6 110
Heating ventilating and air conditioning Guide 35th ed ..... Apr 18 118
Irrigation engineering Vol II Projects, controls and structures L. E. Bonk ..... May 30 76
Jute compression H. J. Kaltenbach ..... June 6 168
Landslides in clays Alexandre Collin, 1846 ..... May 9 164
Mathematics and computers Stibitz & Larrivee ..... Apr 4 109
Physical accounting and cost keeping for contractors 3 ed F. R. Walker ..... June 6 168
Practical road construction J. H. Attison ..... May 30 76
Principles of engineering geology and geotechnics Krynine & Judd ..... June 27 86
Principles of transportation Mossman & Morton ..... Mar 21 122
Principles of turbomachinery D. G. Shepherd ..... Jan 17 80
Sewage treatment 2nd ed Imhoff & Carr ..... Mar 21 124
Sewerage and sewage disposal L. B. Escritt ..... Apr 4 109
Standard plans for highway bridge superstructures Bureau of Public Roads ..... Jan 24 45
Structures Por Luig. Nervi ..... May 16 72
Supplementary notes on structural planning and design Problems and solutions from past New York P. E. license examinations J. N. DeSerpa ..... Jan 17 80
Technical data on plastics Manufacturing Chemists' Association Apr 25 101
Timber design and construction handbook Timber Engineering Co. Jan 24 212
Rewers: Richard A. SeaBee officer gets award for Antarctic construction ..... June 13 *105

Breakwaters: Tetrapods four times as strong against the sea, first installation in U. S. underway at Crescent City, Calif., and in Kahului Harbor, Hawaii ..... Mar 21 (F) *48

Bridge Accidents and Failures

Tay Bridge—A disaster to remember ..... Jan 17 *128
Tay Bridge probers, wrong Sir O. Williams ..... Mar 21 10
Windstorm speeds up Toledo expressway plans ..... May 16 *22

Bridge Construction

Alaska—Rail pile information R. J. DeLaHunt ..... Feb 21 *8
All-welded bridges survey reveals that 22 states weld bridges Jan 10 *28
Beam plate and girder bridge over Mississippi River (unit prices) ..... Jan 3 61
California highway bridge erection dodges floods ..... Apr 4 *82
California plan calls for 51 prestressed bridges ..... Mar 21 42
Carquinez Bridge hydraulic jets sink caissons ..... Apr 18 (F) *28
Connecticut Turnpike's Quinnipiac River crossing at New Haven superstructure goes on "croquet wicket" piers ..... June 6 *28
Contracts booming (chart) ..... Apr 18 176
Corpus Christi Ship Channel bridge, Tex will get additional spans (unit prices) ..... Mar 14 88
County "rolls its own" in prestressed bridge design (map) ..... June 13 (F) *57
James River Bridge, Richmond, Va columns built up with free-standing forms ..... Mar 21 *92
Mackinac's record cables spun for 78 days ..... Mar 28 (F) *55
New York bridge projects run 100% over estimates ..... May 16 23
New York's Long Island RR bridge reconstructed and connected to make room for 4 lane highway without serious disruption of train schedules ..... Mar 7 (F) *40
Norfolk bridge-tunnel costs up $2 million ..... May 30 104
Pawtucket, R. I. Seekonk River steel girder bridge cost exceeds estimate by 44% (unit prices) ..... Feb 14 *5
Silt swallows up half the cost of Connecticut Turnpike Bridge May 30 (F) *45
Walt Whitman Bridge between Philadelphia and Gloucester City, N. J. is key to redevelopment of two cities ..... Apr 4 (F) *52
Will Rogers Turnpike bridges built fast D. E. Stevens ..... Jan 3 (F) *32

Bridge Design

All welded bridges survey reveals that 22 states weld bridges Jan 10 *28
Bascule bridge spanning the Cuyahoga River at Cleveland comes close to record ..... Feb 28 *22
BPR publishes standard for road bridges Penna Highway Dept completed similar publication ..... Jan 24 45
BPR standards credit omitted Myron Lepakaluk ..... Mar 21 10
Europe's longest span suspension bridge on reinforced concrete towers is under construction across Seine River, France (map) ..... Jan 10 *28
Florida prestressed highway bridge bid price very low ..... June 13 27
Open-spandrel bridge built on skew near Cleveland ..... Feb 21 *45
Prestressed beams for Texas bridge are seated on neoprene rubber bearing plates J. R. Graves May 16 (F) *67
Prestressed bridge designed by Suffolk County across Long Island intracoastal waterway (map) June 13 (F) *57
Should bridges be water? ..... Jan 17 e13
Structural steel bridges built fast on Will Rogers Turnpike, Okla D. E. Stevens ..... Jan 3 (F) *32
Suspension span of 1,150 ft for St. Lawrence River bridge between Ogdensburg, N. Y. and Prescott, Ont ..... Mar. 14 *24
Suspension span of radically different design across Lake Maracaibo, Venezuela (map) ..... June 13 *28
Swing truss bridge in Swampy area, Louisiana (unit prices) ..... Apr 25 102
Walt Whitman Bridge between Philadelphia and Gloucester City, N. J. is world's eighth largest suspension span ..... Apr 4 (F) *52

Bridge Renewals and Repairs

Chicago bridge split for repairs June 6 *28
New Mexico bridge repair (unit prices) ..... May 16 119
New York to modernize Harlem River crossing ..... Mar 21 32
Pennsylvania bridges damaged by hurricane will be repaired by summer ..... Apr 4 28

Bridges

Australia
Narrows Bridge, at Perth Australia will be 1,100-ft long, five-span continuous structure of prestressed concrete ..... Jan 3 *30
Brazil
Viaducto das Almas bridge on Rio Belo Horizonte Highway is supported on stilt-like concrete columns ..... Apr 11 *78
Buffalo Bayou twin bridges, Tex Houston, Tex takes welded girder span record ..... Jan 24 *48
California
Napa Hills highway bridge erection dodges floods ..... Apr 4 *82
San Francisco—bridges key features in water-complicated transit problems ..... June 27 (F) *22
Canada
Longest plate-girder bridge over the Fraser River in Vancouver, B. C. ..... Feb 28 *55
Carquinez Bridge, Calif.
Hydraulic jets sink caissons ..... Apr 18 (F) *28
Chicago
Michigan Avenue Bridge split for repairs ..... June 6 *28
China
Yangtze River span takes shape ..... May 9 *33
Cleveland
P & O bascule bridge spanning the Cuyahoga River comes close to record ..... Feb 28 *22
Wilson Mills Road open-spandrel bridge built on skew ..... Feb 21 *45
Colombia
Bogota plans 420 ft prestressed bridge ..... May 9 *75
Connecticut
Turnpike bridge over the West River New Haven unit makes bridge costly ..... May 30 (F) *46
Delaware River
$6 million construction authorized between Yardley, Pa. and Wilburtha N. J. ..... Apr 11 *23
Fire Island Bridge
Suffolk County builds Native Hay bridge (map) ..... June 13 (F) *57
France
Bordeaux will get first new bridge since 1821 ..... June 6 102
Seine River suspension bridge on concrete towers (map) ..... Jan 10 *28
India
Bridging Ganges is top task project ..... May 16 *61
Italy
Santa Trinita Bridge at Florence being rebuilt Ponte Santa Trinita ..... Jan 31 10
Louisiana
Bayou Lacassine swing truss bridge in swampy area (unit prices) ..... Apr 25 102
Michigan
Mackinac's record cables spun ..... Mar 28 (F) *55
Minnesota
Beam plate and girder bridge over Mississippi River (unit prices) ..... Jan 3 61
Missouri River
Forest City, S. D. big span gets approval from Corps ..... Apr 11 24
New York City
Bridge projects run 100% over estimates ..... May 16 23
New York State
Thruway viaduct sets welded girder record Welded girders in Europe G. R. Thalheimer ..... Feb 7 8
Oregon and Arkansas interstate bridges hoisted over their early problems ..... June 6 70
Pennsylvania
Hurricane damaged bridges will be repaired by summer ..... Apr 4 28
Walt Whitman Bridge between Philadelphia and Gloucester City, N. J. is key to redevelopment of two cities ..... Apr 4 (F) *52
Name added C. S. Whitney ..... May 16 10
St. Lawrence River
U. S.-Canada bridge between Ogdensburg, N. Y. and Prescott, Ont at final stage ..... Mar 14 *24
San Francisco, Calif.
Toll bridge studied to parallel Golden Gate ..... Jan 31 28
San Francisco-Oakland Bay Bridge, Calif.
Capacity to be raised ..... May 9 28
Seattle, Wash.
Seattle bridge questioned H. M. Homes ..... Apr 4 10
Scotland
Firth of Tay Bridge—A disaster to remember ..... Jan 17 e128
South Carolina
Truss swing span will replace old bridge at Johns Island (unit prices) ..... Jan 10 76
Texas
Corpus Christi Ship Channel bridge will get additional spans (unit prices) ..... Mar 14 88
Toplock, Ariz.
Two new pipeline bridges across the Colorado River ..... Apr 4 *27
Venezuela
Lake Maracaibo bridge design beat U. S. firms bidding for job (map) ..... June 13 *28
Summer start scheduled for Lake Maracaibo Bridge ..... Feb 21 236
Virginia
Chesapeake crossing faces political problems ..... Feb 28 29
Washington State
Financial feasibility study of proposed second floating bridge across Lake Washington, east of Seattle ..... May 2 24
Brown, Brig. Gen. C. Pratt, USAF engineers do a big job ..... May 2 (F) *46
Bunn, Per Hydraulics expert heads Coastal engineering course ..... Apr 18 *103
Bush control, Missouri River levee riprap is kept free of growth by spraying ..... Apr 27 *88

Building Accidents and Failures

Brazil—Rio de Janerio building collapse laid to careless undermining ..... May 9 75
Dock structure fault J. F. Mumper ..... June 20 8

Building Construction

Aldon system mass produces houses on site ..... Apr 18 (F) *65
All concrete food terminal for Southern Railway ..... June 20 (F) *67
All concrete warehouse for AF near Sacramento, Calif ..... May 30 (F) *42
Ancient building rebuilt to house museum in Athens, Greece D. P. Barnett ..... Mar 14 (F) *76
Another big year of federal spending (table) ..... Jan 10 23
Atlanta, Ga.—on-the-spot report ..... Mar 28 113
Big changes in buildings over last 100 years ..... May 23 (F) *33
Boom stretches into 1957 (charts) ..... Jan 3 21

* Illustrated; e, editorials; (F) Articles over a page

Building Design

Air Force Academy hex formations were designed by Brown & Teng ... Apr 18 (CF) *

Aircraft plant's Baltimore division designed for unusually heavy loads (E. W. Wolf) ... Apr 25 (CF) *

All-concrete warehouse for the AF meets stringent Calif. May code ... May 9 (CF) *

Automatic book factory for Detroit office building ... May 30 *

Bizarre capital dispute over design delays rebuilding ... Apr 11 *

Bad design blamed for pre-loss ... May 2 *

Big changes in buildings over last five years ... May 23 (CF) *

Consulting engineers build new office building of their own design ... May 30 (CF) *

Cut-up section form tapered frames for sculptured outdoor deck of hotel at Sausalito, Calif ... May 9 *

Daisan Marunouchi Building, Tokyo, Japan steel-concrete members form frame ... June 20 *

Design against fire spread ... May 2 *

Earthquake resistance

Douglas giant aircraft plant has columns that are needed to resist horizontal forces ... May 9 (CF) *

Federal building design approved ... Jan 10 *

Fire Protection, NFPA manager states nursing homes are No. 1 fire traps ... June 6

Forming a thin-shell roof for a Seattle classroom building ... May 9 (CF) *

Fan-fi concrete building planned for Melbourne, Australia ... Mar 21

Hangers to contain 6 of big planes ... Apr 25 *

How is shear distributed? Murray Lubin ... May 23 *

Los Angeles, Calif. apartment balconies offset for headroom ... Apr 18 *

Mental hospital design—use of new drugs may affect architectural requirements ... May 30

Museum to be built near National Park Service near Vernal, Utah, will have bones of dinosaurs as one wall ... Feb 14

New York garage will satisfy strict code ... Apr 4 *

Paired classrooms, new concept in school design for New Rochelle, N. Y. ... May 9 *

Pittsburgh office building a showcase for steel curtain walls; pivoted windows are included in panels ... Feb 28 (CF) *

Plastic design for a two-story building in Kingston, Ont. Prof. D. T. Wright ... Apr 11 (CF) *

No steel saved, E. Guillard ... May 16

Plastic design to the fore ... Apr 4 *

Plastic house erected with large sandwich panels forecasts things to come ... June 20 (CF) *

Plastic house passes load tests ... Feb 14 *

Seagram Building in N. Y. C. has glass and bronze exterior, bolted steel framing with diagonal wind bracing and new type lighting and air conditioning ... June 13 (CF) *

Shell Oil Corp. building in Tulsa, Okla. features sun canopies over windows ... Mar 21 *

Steel-frame courthouse for Los Angeles ...

Stratford, Ont., Canada—conical folded plate form concrete roof supports tent for summer theater, June 27 (CF) *

Structural steel buildings, by the plastic theory, F. S. Merritt (charts) ... Apr 4 (CF) *

Tallest concrete building in U. S. Chicago apartment building ... June 27 (CF) *

Thin-shelled concrete domes in desert concept for church roofs ... June 20 (CF) *

Twenty tons of framing were erected in one piece for 8-story welded frame office building in New York ... Apr 25 *

Umbrella-like structure with elliptical suspended roof for N. W. International airport ... Apr 11 *

Unbuilt—over Mexico City's new buildings, W. G. Bowman, Cuidad ... May 16 (CF) *

Welded frame of a Ft. Worth, Texas office building redesigned with all-aluminum walls is world's tallest welded building, F. S. Adams ... May 2 (CF) *

Welded structural steel, sheathed in stainless steel gives Inland Steel's office building in Chicago a waterlike appearance ... Jan 24 (CF) *

Williamsburg guards its character ... Apr 25 (CF) *

Wind resistant

Knee braces stiffen Canada House ...

N. Y. C. office building walls ... May 9 *

New standard wind-load requirement, J. F. Thomson (map & tables) ... Feb 14 (CF)

New standard wind-load requirement, Wind standard unimproved, O. N. Hyland ... June 13

Thomson's reply ... June 13

Tornado comes close to Dallas business area ... Apr 11

Building Design, see also, Beams, Columns, Girders, Roofs & Building

Building Laws and Regulations

AISC code is a library, Lynn L. Bailey ... June 20

ASTM standards revised ... Mar 14

Court rules, "Lift slab" is in public domain ... Jan 3

N. Y. C. legislature will be asked to amend bldg. laws ... Jan

Revised state code ready for Congress of builders ... May

Building Research Institute Annual meeting offers some answers on how to do it better ... Apr 18

Buildings

AIA centennial progress in building ... May 23 (CF) *

Annapolis, Md.

U. S. Naval Academy field house to be dedicated ... May 30

Argentina

Buenos Aires' Atlas building, a 42-story concrete skyscraper planned by the Argentine government ... Feb

Buenos Aires' 42-story Atlas Building nears completion ... Mar 21

Miramar will get concrete co-op 40 stories high ... Feb 7

Atlanta, Ga.

Georgia Road Dept. gets new home ... Jan 24

Atwater, Calif.

Roof shell without falsework on school ... Mar 14 (CF) *

Australia

Sydney operahouse will get roof structure of interlocking, thin-shell concrete vaults ... May 30

Baltimore, Md.

Aircraft plant's frame is also test rack, E. W. Wolf ... Apr 25 (CF) *

Mercy Hospital plans $8 million complex ... Mar 14

Belgium

Chalet-of hospital uses new type of composite beams ... June 6

Peaceful use of the atom building theme of 1958 fair ... Feb 21

Bloomfield Township, Mich.

Steeple placed by helicopter ... May 23 *

Boston, Mass.

Prudential Insurance Co. maps $100-million center ... Feb 14 *

Bozeman, Mont.

State College's field house biggest timber framed dome ever built; supports roof ... Jan 10 (CF) *

Buffalo, N. Y.

20-story office building construction to start this fall ... Mar 28

Canada

Locks raise framework for tall silos ... May 2 *

Kingston, Ont., two-story building used plastic design successfully, Prof. D. T. Wright ... Apr 11 (CF) *

Chattanooga, Tenn.

All-concrete food terminal for Southern Railway ... June 20 (CF) *

Chicago, Ill.

Apartment building tallest concrete building in U. S. ... June 27 (CF) *

Inland Steel builds a new house ... Jan 10 (CF) *

Cincinnati, Ohio

Skyscraper planned ... May *

Colorado Springs, Colo.

How foundations for the Air Force Academy were designed, Brown & Teng ... Apr 18 (CF) *

Air Force Academy steel (unit prices) ... Feb 14

Cuba

Habana Hilton, 31-level hotel ... Feb 28 *

Dallas, Tex.

GSA receives nine bids to proposed office building ... Feb 14

Daly City, Calif.

Precast arches form gym roof ... Jan 31 (CF) *

Money isn't everything, L. F. Green ... Mar 21

Dayton, Ohio

Cellular concrete floors for research building wired easily ... Apr 18 (CF) *

Denver, Colo.

Tallest building will have roof helicopter port ... May 30 *

Detroit, Mich.

Aluminum mesh to face office building ... May 30 *

Disneyland, Calif.

Plastic house erected with large sandwich panels forecasts things to come ... June 20 (CF) *

Emmitsburg, Md.

Parochial school—package includes financing ... Feb 28 (CF) *

Farmingdale, L. I.

More height without raising the roof, Alfred Zweig ... May 2 (CF) *

Ft. Worth, Texas

World's tallest welded building, F. S. Adams ... May 2 (CF) *

Franklin Park, Ill.

Warehouse walls made of four materials ... Mar 21 *

* Illustrated. e-editorials. (CF) Articles over a page

Gary, Ind.
Standardized schoolhouse package includes financing Feb 28 (EC) *96
Greece
Ancient building rebuilt for house Greek museum in Athens D. F. Barnett Mar 14 (EC) *26
Largest hotel planned for Athens Mar 7 66
Hawaii
Roof lounge to revolve atop 14 story building in Honolulu June 1 *94
To story Honolulu hotel will be one room thick June 13 *62
India
Museum for cultural contact in Ahmedabad on concrete slabs May 16 *86
Johnstown, Pa.
Radiator firm plans research center Jan 29 *24
Kansas City, Mo.
Black & Veatch's new office building May 30 (EC) *92
Langley, Va.
Design approved of $46 million CIA headquarters building May 20 *102
London, England
Tallest office building to be erected Apr 18 88
Long Beach, Calif.
Aircraft assembly plant for Douglas DC-8 jet May 9 (EC) *33
Los Angeles, Calif.
Alton system mass-produces houses on site Apr 18 (EC) *67
Apartment balconies offset for headroom Apr 18 *81
Novel framing for a courthouse Apr 11 (EC) *52
Tidewater Oil will begin construction of headquarters building Apr 25 28
Mexico
Umbrellas over Mexico City's new buildings W. G. Bowman (table) May 16 (EC) *76
Miami Beach, Fla.
Blue-green porcelain enameled steel encloses Federal Savings & Loan Assn. Building June 6 *30
New Orleans, La.
New city hall dedicated May 30 *22
Tulane University dormitory will have prefab walls with built-in furniture Mar 28 30
New Rochelle, N. Y.
Senior high school will have paired classrooms May 9 *32
New York City
Concreting for 44 story apartment house completed in 51 days June 27 *29
Joering Milliken Co.'s 8 story welded-frame office building now going up Apr 25 *29
Design of midtown garage will satisfy district code Apr 4 *26
5th Avenue office building has world's largest aluminum curtain wall June 6 *30
Harlem Hospital pumps and weight keep hospital out of hot water June 20 (EC) *46
International Airport building will be an umbrella-like structure Apr 11 *25
Knee braces stiffen walls of Canada House May 9 *29
Light-colored building sets 234 ft height mark Jan 31 *27
Massive office building started in downtown financial district Mar 14 *108
New York International Airport will have a 320 room hotel Feb 21 *50
Office-building boom alters skyline Jan 17 (EC) *40
Seafarm Building, a skyscraper crammed with innovations June 13 (EC) *45
Tallest lightweight concrete building under construction — Skyscraper built with shale W. W. Karl Jan 3 6
Tallests lightweight building under construction — Wrong consultant named Victor Mayper Jan 3 12
North Haven, Conn.
Two schools show a 26% price rise in two years (tables) Apr 25 (EC) *65
Oklahoma City, Okla.
New design concept for church roofs June 20 (EC) *42
Ottawa, Canada
Embassy completed — an old Russian custom even in Canada Feb 14 *22
Peoria, Ill.
Caterpillar plans new engine plant Jan 24 *261
Pittsburgh
U. S. Steel's office building is a showcase for steel curtain walls Feb 28 (EC) *49
Too much frost — Corrections May 9 12
St. Louis, Mo.
Laboratory for Monsanto Chemical built almost completely of plastics June 20 (EC) *56
An architect's view of plastics R. H. Bradley June 20 58
A contractor's view of plastics W. F. Cunliff June 20 59
Sausalito, Calif.
Cut up sections form tapered frames for enlarged outdoor deck of hotel May 9 *30
Seattle, Wash.
Forming a thin shell roof for a classroom building May 2 (EC) *47
21 story office building to be built June 27 *108
Singapore
Orient's tallest building is the new 19 story Asia Insurance Building Jan 23 *28
Stratford, Ont., Canada
Colorful folded-plate form concrete roof supplants tent for summer theatre Mar 21 (EC) *30
Tacoma, Wash.
New hotel erected overnight built in Apr 4 *24
Tokyo, Japan
Steel concrete members form building frame for Design of Marunouchi Center June 6 *30
Tulsa, Okla.
Small Civil Defense facilities suit Oklahoma's open windows Mar 7 *29
Vocational school
Mass move to end by Nat'l Guard Service will leave holes of three stairs in one wall Feb 14 *22
Washington, D. C.
Bids for three federal buildings May 2 28
Colonial center opposed Feb 7 *27
Design approved for federal building Apr 18 (EC) *104
Office annex proposed for White House staff May 23 27
Williamsburg, Va.
New reception center Apr 25 (EC) *34
Wingate, N. C.
K-Bricks connected to precast columns at Wingate Junior College June 27 (EC) *69

Sacramento, Calif. redevelopment pays its way (map) ..... Apr 25 (E) •36
Washington, D. C. may get huge cultural center ..... Feb 7 •27
Plant Location—Industrial sites—first national exposition is showcase for cities and state seeking industry ..... May 30 104

Plastics

ASTM group to set standards for cellular plastics ..... Mar 7 88
Foam for mass concrete insulation ..... Jan 10 65
House made of plastics passes load tests ..... Feb 14 •25
House of plastics erected with large sandwich panels forcasts things to come ..... June 20 (E) •28
Laboratory for Monsanto Chemical built almost completely of plastics ..... June 20 (E) •56
An architect's view of plastics R. H. Bradley ..... June 20 58
A contractor's view of plastics W. H. Cunliff ..... June 20 59
Polyethylene film as vapor barrier ..... Apr 11 •88
Sewer tunnel will be vinyl-plastic lined to prevent deterioration of concrete due to gases ..... Apr 4 (E) •46
Plywood—Fir plywood market firms—orders set 15 week record ..... Apr 25 124
Price fix charged—Douglas fir plywood wholesalers are indicated in Detroit ..... June 6 25

Ports and Harbors

Africa—concrete-block deepwater quay in Belgian Congo sets height record ..... May 2
Baltimore, Md.—$100 million port work advised ..... June 20
Baltimore port surveyed for general cargo piers ..... Apr 11
Detroit and Rochester study plans for port development ..... Jan 10
Erie, Pa. picks site for new lake port development ..... June 6
India-Kandla port construction enters final phase (map) ..... Apr 4
Lebanon port expansion to be financed by private funds ..... June 20
Mississippi Ports Authority suggested ..... Apr 25 14
Montreal, Can.—millions earmarked for improvements ..... June 6
New York—drive aimed to keep N. Y. port on top (map) ..... June 6 (E) •24
North Carolina ports' expansion recommended ..... Feb 28
Peru port plan—$10 million to be spent on the Pacific port of Callao ..... Jan. 24
Port of New York Authority spends $84 million and commits $50 million for airports, tunnel, piers in N. Y., N. J. ..... Mar 28
Rota—key to U. S. base in Spain H. W. Hunt (map) ..... Mar 14 (E) •1
San Francisco launches $12-million port expansion program ..... Jan 31
Seattle—port of Seattle to create industrial land ..... May 30
South Carolina port plan beginning to take shape ..... May 30

Power and Power Plants

Brownlee Dam to be rushed into service ..... Feb 7 (E) •16
Canada—Bersimis I power generated to Montreal ..... Jan 17 •4
Dresden A-plant due for construction in spring ..... Jan 3 •26
Dresden A-plant footings designed to hold a 190 ft sphere ..... June 6 •23
GE atom lab to feed PG&E power ..... June 6 •20
Germans build pumped power storage scheme ..... Mar 7 •61
Great Britian awards contracts for three more nuclear plants Jan 24 •26
John H. Kerr Dam powerhouse gets centralized controls ..... Apr 18 •34
Nakara Falls—Better late than never ..... Feb 7 •12
Niagara-Mohawk and Moses agree on new Senate bill ..... Jan 31 22
Niagara Power compromise set ..... Apr 18 31
Northwest seen ready for steam power—Seattle steam plant passes economy test ..... Feb 14 28
Paucartambo: power for Peru's mines ..... Apr 18 (E) •36
Private vs. public power Ben Moreell ..... June 27 •6
Puget Sound power projects will provide an additional 1.9 million kw ..... Jan 3 27
St. Lawrence power claims dropped by Mass. and N. H. ..... Jan 31 24
St. Lawrence Power project—four separate concrete plants for four major structures H. H. McLean ..... May 9 (E) •17
Trinity River project—first true partnership proposed ..... Feb 21 45
Trinity River project proposal questioned on power costs ..... May 16 23
What's different about building atomic power plants? W. J. Grady ..... Feb 14 (E) •14
Tracy, George W. Wesk, East water official retires after long service ..... Apr 11 57
Preston, Everett S.—Ohio's Preston takes a look ahead ..... Mar 14 •8
Print machine—Steady flow of images from microfilm ..... June 13 •22

Public Relations

Air photos help public to understand road plans ..... Mar 14 22
California program will explain highway jams ..... May 16 34
Ford Motor donates land for use as college campus ..... June 27 136
Line-of-duty criticism by officials held libel-free ..... June 20 150
Public relation, on roads ..... Mar 21 e192
Public relations on roads—Public relations J. G. Knelling ..... May 9 10

Public Works

Another big year of federal spending (table) ..... Jan 10 21
Chicago's filtration plant—substructure goes at $10 million ..... Mar 7 •26
Chicago voters approve 23 issues for public works program ..... June 20 150
Chicago voters to weigh $113 million bond issue ..... Apr 25 (E) •45
Congress seeks cure for lease-purchase ..... Feb 28 •94
Connecticut Public Works Dept. releases revised State Building Code ..... Mar 7 33
False doctrine ..... June 6 e196

What price power? Samuel Schaffer ... May 16 *41
Terrell, Daniel V.—Engineering Dean to retire from Kentucky University ... Apr. 25 *91
Test tracks—Ford Co. new automobile test track near Romeo, Mich. ... May 23 (F) *32
Tornados see Wind Storms
Towers
Alloy-steel TV tower in Nashville, Tenn. collapses ... Feb. 14 *24
Baltimore 105 foot platform will top TV tower ... Feb. 28 *39
Funnel-shaped tank jacked to top of water tower in Swedish city ... May 16 *46
Nashville, Tenn. TV tower will be replaced ... June 6 24
Nashville, Tenn. tower collapse still a mystery ... Feb. 14 44
Navy plans sea tower near San Diego for experimental work ... June 6 30
New standard wind-load requirements (J. P. Thompson (map & tables) ... Feb. 14 (F) 32
Newark Airport radar dome will cap control tower ... Apr. 11 26
Quarry in Derbyshire England sets test lab for towers ... Mar. 21 *41
Training
Alberta college starts post-graduate instruction in highway engineering ... Apr. 4 29
Chain reaction (J. M. McCann) ... Feb. 28 *24
Engineering teachers (J. F. Kinner) ... May 16 6
Engineering teachers—Let 'em be retired—teach (J. R. McKinney) ... Apr. 11 *32
Industry ups merit awards for high school graduates ... May 9 32
On-job training started for N. C. state road engineers ... Apr. 25 32
PA for engineer shortage—Summer help? Womanpower for engineering ... May 16 (F) 24
Scholarships will promote interest in highway field ... Jan. 17 28
Summer jobs for students ... May 30 *32
Texas A&M earthmoving school resumes operation ... June 6 *24
Traffic engineering course will be expanded at Yale ... Jan. 10 *24
Two schemes urged to ease engineer shortage ... Jan. 3 *24
Trainways see Cables and Cableways
Transportation
Brazil—politics halt Sao Paulo monorail ... Feb. 21 *32
Brussels readying for World Fair, pushes traffic engineering study ... May 30 (F) *24
Chicago's south side test site for Speedwalk installation ... Mar. 28 *30
Mississippi Ports Authority suggested ... Apr. 4 *24
Moving sidewalks Dallas, Tex. Love Field set airport with passenger appeal features moving walk ... Mar. 21 (F) *30
New York City—$400-million rail line called solution for traffic study group ... May 16 *41
People and traffic ... May 30 (F) 32
Port of New York Authority seeks $84 million and commits $20 million for airports, tunnels, piers in N. Y. and N. J. ... Mar. 28 *24
Potential cures for transit ills Park-then-ride Feeder system, New rapid transit lines, Elevated lines ... June 6 *24
Rapid mass transit—a primer ... June 6 (F) *24
Rapid transit boosted as answer to city congestion ... May 23 28
San Francisco transit plan—road equals metropolitan movement ... June 27 (F) *23
Several states move to aid transporting cities ... June 13 29
Techniques and trends in transportation ... Feb. 21 (F) *86
U. S. money aids highway transportation ... Mar. 7 61
Trusses
Long trusses provide working area for Douglas DC-8 jet transports ... May 9 (F) *53
Newark Airport's new hangar will have 140-ft cantilevered trusses ... Mar. 28 *26
Tunnels
Boston's Central artery—tunnelling over tunnel makes road job expensive ... May 16 (F) *62
Boston's John F. Fitzgerald Expressway tunnel section cut without interrupting utilities and traffic ... Jan. 10 (F) *36
Brussels—tunnels in the street will increase traffic capacities (map) ... May 30 (F) *38
California—Navy tunnels—metal roof lining, cast precast ... Feb. 14 78
Colorado—controversial tunnel puts the spotlight on the problem of toll facilities in the interstate net ... Apr. 11 23
The English Channel tunnel ... June 6 *196
Giant rubber tubes inflated become liner form for tunnel ... Mar. 21 *66
Great Britain—
Thames River tunnel work begins ... Apr. 18 88
Hampton Roads Bridge Tunnel, Norfolk, Va.—
Hurricane protection lining, M. N. Quade ... June 13 6
Holland—
Building a tunnel under North Sea Canal ... Mar. 21 (F) *34
Honolulu—
City-County cleared of liability on Kodiak Tunnel deaths ... Mar. 7 27
$1-million saving offered on second parallel Kodiak tunnel ... Feb. 7 26
India hails the opening of long tunnel link to Kashmir ... Jan. 24 174
Los Angeles new shields speed tunneling through sand ... Apr. 4 (F) *46
Milwaukee water main includes tunnel section cast precast ... Jan. 3 61
Missouri—sanitary sewer includes tunnel section cast precast ... Apr. 4 174
Montana irrigation tunnel costs $17.50 per lin. ft. cast precast ... Feb. 21 *45
Mont Blanc Tunnel Project Assembly OK's participation in three-nation plan ... Apr. 11 81
New Orleans—
Delayed closing date set ... Dec. 1 *27
New York City—
L. I. Sound Tunnel—third tube safety story keeps record pace, ends ... May 30 (F) *27
Third Lincoln tube gets finishing touch ... May 16 *24
Norfolk to site tunnel costs up $2 million ... May 30 104
Oahe Dam, S. D.—flood control tunnel thru Missouri ... Apr. 4 *28
Oahe Dam power tunnels to be in ... Aug. 2 *28
Vetter, Splitdorf ... June 27 (F) 33
Peters, R. A.—Grand Valley tunnel—explosives to be used again to complete ... Jan. 3 33
Pittsburgh—Coverdale, Baldwin ... Apr. 11 *40
Pittsburgh's sewerage project—Miles of tunnel (map & table) ... Nov. 15 (F) *36
Switzerland—St. Gotthard Tunnel ... June 13 *38
Tunnel to Sea—Design tunnel ... May 9 *28
Turkey to develop tourist ... May 2 *28
Virginia—
Norfolk-Portsmouth tube ... June 20 *24
Washington—Funnel, N. Y. ... Apr. 4 *28
West Delaware Tunnel, N. Y. ... May 2 *28
Work Chart (C.P.M.) ... Feb. 7 *6
West Delaware Tunnel bids ... May 2 *28
Turbines—Record hydro units pass 500,000 kw ... Jan. 3 *28

U

Ultrasonics—Pressures by shock waves from explosives ... Apr. 4 *28
Underwater—Blasting at submarine speed accomplished to raise steamship ... Apr. 25 *28
Underwater Work—Named vice president of construction NOMA ... May 9 *32
Unit Price—Jan. 3 (F) Jan. 10 *26

Walls
Aluminum curtain wall for New York office building ... June 6 *30
Colored porcelain-enameled steel panels for standardized schoolhouse ... Feb. 28 (F) *96
Concrete wall 350 ft high honors Portuguese explorer ... Jan. 24 *179
From piles of masonry to slim metal and glass—shafts big changes in buildings over last 100 years ... May 23 (F) *33
Knee braces stiffen office building walls ... May 9 *26
Museum to be built by National Park Service near Vernal, Utah, will have bones of dinosaurs as one wall ... Feb. 14 28
Pittsburgh office building a showcase for steel curtain walls ... Feb. 28 (F) *49
Too much fresh air—Correction ... May 9 32
Prefab dormitory walls have built-in furniture ... Mar. 28 30
Warehouse walls made of four materials at Franklin Park, Ill. ... Mar. 21 *32
Warehouses
Four-story warehouse journeys half mile to new site ... June 27 (F) *72
Franklin Park, Ill. warehouse walls made of four materials ... Mar. 28 *32
On-site processing plant for Los Angeles sanitation district—Unique cutting cost, H. E. Reuter ... Apr. 18 (F) *38
Sacramento, Calif.—precasting 33 acres of roof panels ... May 30 (F) *42
Washington, Maj. Gen. Lee B. USAF engineers do a big job ... May 2 (F) *46
Wastes, Industrial
Bethel Brook, N. J. activated, sludge plant will serve 14 wks. too ... Apr. 4, 27
Corpus Christi, Tex.—two plants turn sludge to fertilizer with rotary dryers ... June 27 (F) *32
Packaged treatment recovers 20% of sugar, starch ... Jan. 24 *28
Shell Oil Refinery stores the Mississippi its wastes, Russell & Wenger engineers ... May 30 (F) *39
Water Mains
Connecticut water main bids show wide spread cast precast ... June 13 *32
Illinois water system draws twelve bidders cast precast ... Apr. 25 102
Louisiana water line with stream cross cast precast ... May 16 *30
Marble water line with section through sewage outfall sewer ... Mar. 7 *36
Maryland water main extension cast precast ... Mar. 28 *30
Milwaukee water main includes tunnel section cast precast ... Jan. 3 61
Oregon water line takes alternate bids cast precast ... May 23 *30
Philadelphia water main 28" underwater line cast precast ... Mar. 21, 128
Prestressed concrete pipe for water main, Virginia cast precast ... Jan. 31 81
Water Pollution
Award goes for studies on stream reaeration ... May 9 *32
